

Weekly update:

This week has been filled with pupils having success all across the school from new pupils joining us, to existing pupils increasing their time in school. Challenging themselves to work in new and exciting ways and new playground equipment which the pupils will be able to access next week. This equipment has been chosen not only because it is good fun but also because it provides the pupils with a variety of sensory activities to support them with their access to learning. We know this is going to be so positive for our pupils.

As part of our options, we are now looking into enterprise for the pupils and are introducing Bankside Bucks as a reward scheme to support these endeavours. The 'Bucks' will link to items that we will buy for school for the pupils to use at lunch and break times. They came up with the idea and we think it is a great way to support the pupils.

Kate Jasper**Malvern Show:**

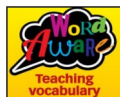

What a delight it is to take our young people out into our community. They all demonstrated excellent interaction and engagement with the site and showed real interest in the show. For some of our young people this was the first opportunity to head out with us as a school and we were so proud of them. More pictures to follow.

**Word aware**

We have introduced Word Aware at school. We pick a word a week and explore its meaning to extend vocabulary and to develop understanding of more complex words.

Next weeks word will be **Interaction**.

An interaction is when two or more people or things communicate with or react to each other.

**Other information:**

Just as a reminder we are a **NO NUT** School, we have a number of pupils who have allergies, this includes for some pupils, coconut allergy, please be mindful of pupils using sprays or body lotions as they can be sensitive to this.

**Dates for your diary:-**

- Forest school—Thursday mornings— please send dry clothes for wet weather and water for those warm days.
- Boundless Outdoors—Monday Mornings (parents will be contacted)

Upcoming:

- Heartstart Training 21st June
