

**Weekly update:**

Wow! What a week! After receiving the Ofsted call on Monday, we all went into let's show what we can do mode. The pupils were absolutely fantastic! They were a real credit to the school and we were so impressed with their tenacity to carry on with their days. The lead inspector asked me to pass on his thanks to both parent/carers and the pupils.

We have had a great week with more pupils coming in. I am always so proud of how we welcome new people into the school.

We have an exciting week next week with our curriculum activities and our trip to the theatre.

**Offsite activities:**

We have been going to Boundless once a week with pupils from the school. This has been incredibly successful and we have enjoyed a variety of activities from archery to climbing.

The pupils have been visiting the local library and have been really fantastic and choosing and sharing their books in class.

We have just started Parkour and Swimming in school too and these have been really successful so far.

**Other information:**

Our Theatre Trip is taking place next week to see A Midsummer Nights Dream—our text for this term.

The letter has been sent to parents of pupils who have expressed an interest in the trip.

If you have any questions please do get in touch.

**Word aware**

We have introduced Word Aware at school. We pick a word a week and explore its meaning to extend vocabulary and to develop understanding of more complex words.

Next week's word will be Acceptance
