

Weekly update:

The weeks are just flying by! We have been out and about on our grounds making nests and shelters, planting and organising ready for the end of year celebrations. Pupils have been demonstrating amazing skills in their lessons and are making really excellent progress. As I told them all in the Morning Briefing, I am so impressed with the resilience they have shown with the ever increasing numbers of pupils in the school. I am really proud of how welcoming the school is to newcomers and want this to be celebrated .

Key information for next half term:

We will be introducing additional options in the afternoons for the pupils. These will be offered to the pupils and they will choose what they would like to do next, options include Coding, Anime, Animation, Woodwork, Cooking and Arts and Crafts.

Pupils will be offered the opportunity to go to the Golf Driving Range and the Library. Once the choices have been made we will stick to these for the rest of the half term. If you have any questions please let your child's tutor know.

Other information:

Just as a reminder we are a **NO NUT** School, we have a number of pupils who have allergies, this includes for some pupils, coconut allergy, please be mindful of pupils using sprays or body lotions as they can be sensitive to this.

Word aware

We have introduced Word Aware at school. We pick a word a week and explore its meaning to extend vocabulary and to develop understanding of more complex words.

Next weeks word will be Horizon
